## **COMPETITIVE SELECTION PROCEDURE OF FNSPE CTU IN PRAGUE**

### **Postdoctoral position in Extremal and Probabilistic Combinatorics**

The Dean of the Faculty of Nuclear Sciences and Physical Engineering, Czech Technical University in Prague, invites applications for the project "Extremal and Probabilistic Combinatorics" funded by Czech Science Foundation and he is offering a postdoctoral position in the Department of Mathematics at the Czech Technical University in Prague, Faculty of Nuclear Engineering and Physical Sciences under the supervision of Jan Volec.

The position is for 2 years, and the intended starting date is between August 1 and September 16, 2024 (negotiable).

The annual salary is approx. 30,000 EUR before taxes, additional funds for travel and other research expenses are available.

There are no teaching duties associated with the position.

#### **Applicant Requirements:**

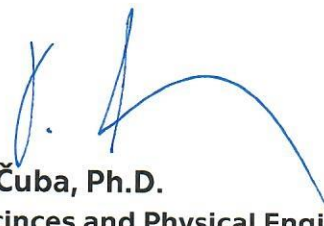

University education with a Ph.D. in Maths or CSc. (not received before January 1, 2016 - may be relaxed in case of a parental leave and/or a long-term illness).

The applications including

1. curriculum vitae,
2. list of publications,
3. copy of the diploma,
4. motivation letter (1-2 pages long)
5. two letters of recommendation

should be sent by e-mail to Jan Volec ([jan.volec@fjfi.cvut.cz](mailto:jan.volec@fjfi.cvut.cz)).

All documents should be submitted as pdf files. Complete application packages should be received by **February 8, 2024**. For any further information please contact Jan Volec on the e-mail address above.

doc. Ing. Václav Čuba, Ph.D.  
Dean of the Faculty of Nuclear Sciences and Physical Engineering  
Czech Technical University in Prague
