

## **Ikerbasque Research Fellows 2024 BCAM Preselection procedure**

**Ikerbasque**, the Basque Foundation for Science, would like to inform that they have launched **a new international call** to reinforce research and scientific career in the Basque Country:

### ***20 positions for experienced postdoctoral researchers Ikerbasque Research Fellows***

Ikerbasque offers 20 positions for experienced postdoctoral researchers in all research fields.

This call is open to promising young researchers with a solid research track and international experience.

#### Perks and Benefits:

- 5-year contracts, during the last year the researcher can be assessed to obtain a permanent position as a Research Associate.
- 44.185 € gross annual salary.
- There is also a moving allowance for those researchers that come from a research institution outside the Basque Country:
  - 4.000 € gross for researchers coming from a foreign research institution.
  - 2.000 € gross for researchers coming from a Spanish research institution outside the Basque Country.
- A start-up funding of 10.000 € is provided for the initial research costs.

#### Required Qualifications:

- The applicants must have their PhD degree between Jan 2013-Dec 2021.
- A support letter from BCAM is mandatory.
- Applications from women are especially welcomed.

#### Preferred Qualifications:

- Scientific merit and research track and relevance of research topic and latest publications will be review.
- Concordance with Basque research capabilities.

- Added Value to the research group/organisation and the Basque Science System.

The procedure is in two steps:

Step 1: **pre-selection of the BCAM candidates** will be as follows:
