Your Application and GDPR

In order to apply to South East Technological University (SETU) you are required to share information with us. We respect that information. When you apply to SETU, either directly or via a third party such as CAO, PAC, Education Agent (International Office) or Springboard, we gather personal data relating to you in order to assess your application. We need this data to establish your eligibility, contact you in relation to your application or any resulting offers. SETU processes and discloses your data within various departments/function areas of SETU solely for the purpose of assessing your application. We are careful to comply with our obligations under data protection laws while processing your application. Your data will not be disclosed to any third party except where we have your written permission or we are required to do so by law. Please see the [SETU Data Protection Policy](#) for further information. SETU will retain your personal data in accordance with our record retention policy.

Please ensure you complete all sections of this form as fully as possible in black ink or typescript. Use additional pages if necessary to expand on the information in the form.
