Synthesis of Nanographenes and Covalent Organic Frameworks

- Candidates must have a **PhD** (or equivalent) in Chemistry and previous experience in organic chemistry.
- **Good command of written and spoken English** (if preselected, a telephone interview will be carried out before any other appointment is made).

The selected candidate is expected to conduct research, write reports, and articles.

Applications should be addressed to Prof. Aurelio Mateo-Alonso and sent via email in **one single PDF** to molsupramolgroup@polymat.eu before the **30th August 2024** (applications will be considered upon arrival) including:

- (i) a cover letter highlighting their interest in the position.
- (ii) curriculum vitae.
- (iii) a description of previous research (1-2 pages).
- (iv) the names and contact addresses (e-mail) of two academic referees.

Please note that because of the large number of applications expected, we will not be able to give individual feedback to unsuccessful applications.
