Miss Universe 2024 is streaming live for free on The Roku Channel. Per Roku, you can watch the live show by searching for Miss Universe on The Roku Channel. You can also stream the event via TheRokuChannel.com, the Roku mobile app, any Roku streaming device, and any compatible Amazon Fire TV device. Additional streaming information can be found on the Roku website.

Finally, you can watch the Miss Universe competition with an active subscription to an over-the-top streaming service that offers Telemundo, including fuboTV and Hulu + Live TV. FuboTV offers a free trial for eligible subscribers.

Beauty is in the eye of the beholder – many say. Well, many would like to behold the Miss Universe 2024 livestream and rest their eyes on some of the most stunning women around the world. Unfortunately, this is impossible for many who can't access this event in their area.

The Miss Universe event will take place in November. It will be held in Mexico, with contestants from more than 30 countries. No doubt, we're looking at an exciting beauty competition that will attract viewers from all around the world. We only have one issue to address.

How to watch Miss Universe 2024 live in your country? Our team has found an easy solution to access this event, watch it live, and do it risk-free without losing money. We'll explain everything as we go, so keep reading for more valuable information.

First, we need to locate this broadcast, which won't be available on many platforms. The good news is that you can find it on a free platform – The Roku Channel. Roku offers a selection of over 400 free channels, including The Roku Channel where you can watch Miss Universe 2024 live.

In addition, there's a roster of premium channels that you can subscribe to for more content. One thing to note is that the live stream will be in English so that you can enjoy the event fully. Another channel where you can find this event is Telemundo – a Spanish channel.

This official Miss Universe broadcaster will stream the event live in full HD but in Spanish. The issue, however, is that both platforms are geo-restricted.

The Roku Channel works in the USA, Canada, Mexico, and a few other countries, so visiting it abroad results in this error:

Telemundo, on the other hand, is accessible via third-party platforms like DirecTV, FuboTV, Hulu + Live TV, and Peacock TV. All of these are restricted to the USA and can't be used in any country. The solution to watch Miss Universe 2024 is to use a reputable VPN.

VPNs are privacy tools used to encrypt your traffic and make you untraceable on the internet. However, they also alter your IP address to another country, unblocking geo-restricted content in the process. For this case, you'll need a premium VPN like NordVPN.

Watch Miss Universe With NordVPN

While it's a paid option, we'll explain how to use it to watch Miss Universe 2024 live for free and not lose a dollar in the end. Beware that the solution will work for The Roku Channel and Telemundo, so you can decide which channel you want to use for the live stream.

Can You Watch Miss Universe Pageant 2024 in the UK, Canada, and Australia?

No, you can't watch this event in the UK, Canada, and Australia, as it is exclusively available in the US streaming and broadcast markets.

You can always turn to a trusted and powerful VPN set to a US server to stream Miss Universe Pageant 2024, on The Roku Channel, in the UK, Canada, Australia, and anywhere else in the world

Where Can I Watch Miss Universe 2024 in Germany?

The primary channel for the Miss Universe Pageant 2024 streaming platform is Peacock TV.

You can enjoy this event in the USA but if you are anywhere in Germany, you can overcome geo-limitations with ExpressVPN.

You can also check out Peacock payment methods for potential discounts or special deals to enhance your viewing experience even more and that too on a budget.

Where To Watch Miss Universe Ceremony 2024 in Italy?

To watch Miss Universe Ceremony 2024 in Italy the go-to channels are Peacock TV and NBC. While NBC offers the streaming of events we recommend Peacock TV as it's easily accessible and the most affordable platform that you can watch even in Italy.

Use ExpressVPN to watch the best shows on Peacock TV in Italy without any hassle.

This weekend, we'll find out the identity of Sheynnis Palacios's successor as Miss Universe, as the beauty pageant's grand final takes place in Mexico City. Before then, however, the 2024 contest's record 127 participants must negotiate Thursday's preliminary competition, from which 30 delegates will advance to Saturday's final show.

Who chooses the Miss Universe grand final qualifiers?

During the prelims in the Mexican capital, the Miss Universe selection committee will choose 29 of the 30 semi-finalists who are to advance to the weekend's main event, including four continental queens (for Latin America and the Caribbean; Europe; Africa; and Asia and Oceania). The remaining qualifier for the grand final will be decided by a fan vote.

The pageant's organisers have revealed that there will be no evening gown competition in Thursday's prelims; delegates will only parade in swimsuits and national costumes. In the grand final, the top 30 will then be reduced to 12, who will take to the stage in evening dress. Five finalists will then compete in a question-and-answer round, with the winner of this Q&A declared the new Miss Universe.
