

FOSC community meeting

16 - 17 October 2024

Palm Plaza Hotel

Av. du 7ème Art,

Marrakesh, MOROCCO

The ERA NET Cofund Food Systems and Climate (FOSC) organises its annual meeting with a mix mode participation (presence/online). The consortium consists of 28 partners from Europe, Africa and Latin America gathered for transcontinental research for sustainable food systems in a changing climate.

The Knowledge Hub session on 16 October aims at sharing with larger community the results of FOSC and the valorisation items of its results in clustered outputs.

The training session on 17 October is a training session organised for FOSC R&I projects partners : one on freedom in science and diplomacy science and the other one on Euraxess. As the topics are general in scope, the sessions may be interesting beyond the FOSC community.
