

Opportunities for Collaborative Research: The German Research Foundation (DFG)

Thursday, 3 March 2022

4 p.m. +GMT8

The Topic

The Deutsche Forschungsgemeinschaft (DFG, German Research Foundation) is the central, independent research funding organisation in Germany. It serves all branches of science and the humanities by funding research projects at universities and other research institutions.

In this virtual info session, attendees will learn about the various funding instruments of the German Research Foundation.

Who should attend?

This event is aimed at research administrators, seasoned principal investigators and experienced researchers seeking to explore funding opportunities for collaborative research with German partners. The event will be open to participants all nationalities and all scientific disciplines.

Registration is free
