Kraków

a place to live, study and carry out research

Kraków

a place to live and study

Kraków is

a tourist jewel of Europe

the cultural capital of Poland

the city of Polish kings

a city of thousand galleries, museums and theatres

a city of writers, poets and artists

a city of sports and tourism

Jagiellonian University: the oldest university in Poland

It was founded in 1364 by King Casimir the Great.

This makes it the oldest university in Poland and one of the oldest in the region. The current name of the University was adopted in 1817.

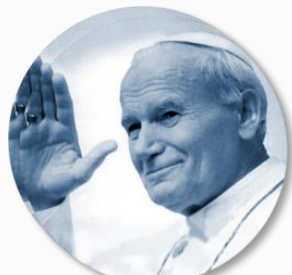

Jagiellonian University
